Choose One of Our Seventeen Ministry Skills Streams

Three Day Programme: \$60

This year we will be offering seventeen different ministry skills streams. Each stream will provide the opportunity for you to focus on one practical area of ministry with people from around the Diocese.

Each skills stream is delivered over the three days and participants are expected to participate in the same stream for all three of the days.

Or Participate in One of Our Three Leaders' Training Forums

One Day Programme: \$20

We will also be offering three one day leaders' training forums which have been designed to resource Parish Council Secretaries (on 24th March), Treasurers (on 14th July) and Church Wardens (on 10th November).

Each of these days will include an introduction to the Diocesan Handbook and resourcing sessions to assist you as a parish officer with the specific areas of your ministry.

All Secretaries, Treasurers and Church Wardens are warmly invited to participate in one of these forums.

Or Complete Safe Ministry Training

One Day Programme: \$20
